About Elevated Industrial Solutions, formerly Lane Supply Company

We're your trusted partner and have been for more than 60 years. People who build or make anything rely on us to improve their business. Although we pride ourselves in supply variety, our solutions go beyond products and services. We recommend creative ideas using our expertise to improve quality, reduce costs, and save time. It's our goal to help your business run more effectively and efficiently.

It's why we're the catalyst for helping American companies and people grow.

We're nationwide, offering premium industrial supplies and coating and finishing systems. In South Carolina and the Dayton and Cincinnati areas, we also offer the gold standard in compressed air systems — Kaeser compressors. Let us help you with your business.
