

SEAMKING PRO

Elevated Industrial Solutions has a new product: SeamKing. It's a countertop seam adhesive that's knife-grade and flowing. Rave reviews are already coming in from countertop fabrication and installation shops using it.

Our access to new and innovative products is just one of the reasons kitchen remodelers, construction contractors, and countertop fabrication and installation businesses have been trusting us for more than 60 years.

Businesses run better with Elevated.

SEAMKING BENEFITS

SeamKing Pro is the perfect choice for countertop and stone professionals. This high-quality adhesive delivers maximum seam strength with a 5-minute work time and 20-minute gel time. Easy to apply. Quick to prepare and install.

- 100% acrylic polymer
- Ultra-clear coloration for truer colors
- High-strength bonds
- 100% UV stable for outdoor applications
- Low BPO – will not yellow
- One-year shelf life
- Bulk options

With the Crystal (clear) or Chameleon resin in bags, the hardener pump, and the color pumps, knife-grade mixing has never been so simple. SeamKing's app can provide additional information to make mixing a breeze. Bulk options as well as kits are available, too.
